PARENTS' COMMITMENT

- 1) ____ We have read and understand the school's vision, mission and philosophy of an education that is Christian and its statement of faith, and we are in agreement with the purpose and philosophy of the Gloria S. Friend Christian Academy (GSFCA).
- 2) ____ We, as parents, accept the challenge to "train up a child in the way he should go" (Proverbs 22:6), and we do state that this training will be carried on in the home. We place our trust in Gloria S. Friend Christian Academy to extend that training more completely.
- 3) ____ We do hereby state that we have made a thorough investigation of the school's program, curriculum, discipline, dress code, etc., and we agree to make them our glad hearted choice for the coming school year.
- 4) ____ We understand that we have an obligation to be actively involved in the education of our children. We agree to uphold and support the high academic standards of the school by providing a place at home for our child to study, and to give our child encouragement in the completion of homework assignments.
- 5) ____ We will faithfully support the school through our prayers and positive attitude, and in keeping with Matthew 18:15, we are committed to giving a good report by sharing any complaints and negative comments only with the people involved. Unresolved issues will be taken care of by using the school's chain-of-command.
- 6) ____ We understand that the standards of the Gloria S. Friend Christian Academy do not tolerate profanity, obscenity in word or action, dishonor to the Holy Trinity and the Word of God, disrespect to the personnel of the school, or continued disobedience to the established policies of the school.
- 7) ____ We believe that discipline is necessary for the benefit of each student as well as for the entire school, and we give permission to the teachers and administration to make and enforce school regulations in a manner consistent with Christian principles and discipline as set forth in the Scriptures (Proverbs 13:24; 22:6; 29:15 & 17; Colossians 3:20; Hebrews 12:6). We further agree that we will cooperate and discipline our child in the home as needed. And we grant permission for our child to be spanked if the need arises, expecting the school's procedures to be followed.
- 8) ____ We pledged that if, for any reason, our child does not respond favorably to the school, we will do everything in our power to cooperate with the school to help our child make the necessary adjustments (a nine-week probation period is usually adequate for new students). If these adjustments cannot be made, then we agree to quietly withdraw our child (by the end of the first semester at the very latest).
- 9) ____ We understand that assessments will be made to cover damages to the school, including breakage of windows, book damage, and abuse of other personal property.
- 10) ____ We will support the school by involvement in Parent-Teacher Conferences, Open House, Parent-Teacher Fellowship activities, work days, and other school-sponsored meeting and activities.
- 11) ____ We give permission for our child to take part in all school activities, including sports and school-sponsored trips away from the school premises. We understand that the school does not provide student medical insurance and that it is our responsibility to provide our own or buy the insurance as offered by the school.
- 12) ____ We understand and will fulfill our financial commitment to pay for the educational services the school is providing for our child.
- 13) ____ We, as parents of the student applicant, do sincerely give our pledge to the above items. We understand that failure of the parents or child to comply with the established regulations and discipline, parental commitment, or failure to meet financial obligations will forfeit the students privilege of attending.
